

**2021 ARSL CONFERENCE**

**SPONSOR &  
EXHIBITOR**

**PROSPECTUS**

The 2021 ARSL Conference will bring together library professionals from rural and small libraries across the nation for a conference packed full of professional development opportunities and exciting networking events.

We went fully virtual last year, but this year's conference is hybrid. We will be able to bring the ARSL community together again in Sparks/Reno, Nevada, and we'll also be able to reach those who are unable to travel via virtual access. Your exhibitor registration now includes both an in-person booth *and* a virtual booth to maximize attendee engagement. Sponsors will be even more visible across our in-person conference and virtual app.

The conference theme is *The Biggest Little Library Conference*, with a focus on expanding our Association's horizons in ways that are equitable, inclusive, and reflective of the communities our members serve. As each of us has faced isolation and change, we've been pushed to embrace technology, find new ways to connect, and re-examine the status quo. We're preparing for a return to normal, but what does that new normal look like for libraries? How can we start conversations and forge stronger bonds with our communities?

There are many ways to market your company through the 2021 ARSL Conference as an Exhibitor and as a Sponsor. We invite you to participate by registering online at [arsl.org/2021-conference-sponsors-and-exhibitors](https://arsl.org/2021-conference-sponsors-and-exhibitors). Information on setup and other details are included in the following Exhibitor & Sponsor Prospectus.

We greatly appreciate the support that you show our library communities through your participation in our conferences.

We hope to see you in Sparks!

*COVID-19 Update: The ARSL Board and office are closely monitoring the COVID-19 pandemic and its impact on future events. At this time, we are planning to hold an in-person conference this fall in Sparks, NV, with select virtual offerings for the attendees who aren't able to travel. We will follow the recommendations from government and health officials, and we are prepared to pivot to an online event if necessary. In the event of a cancellation, exhibitors will receive a full refund. Sponsorships may be refunded or transferred to the online conference, based on preference of the sponsor.*
